

Clipboard Text History Toolbar

This macro file provides an auto-hide toolbar that keeps 10 texts last copied to clipboard. Clicking on a toolbar item will paste the text to the currently active application.

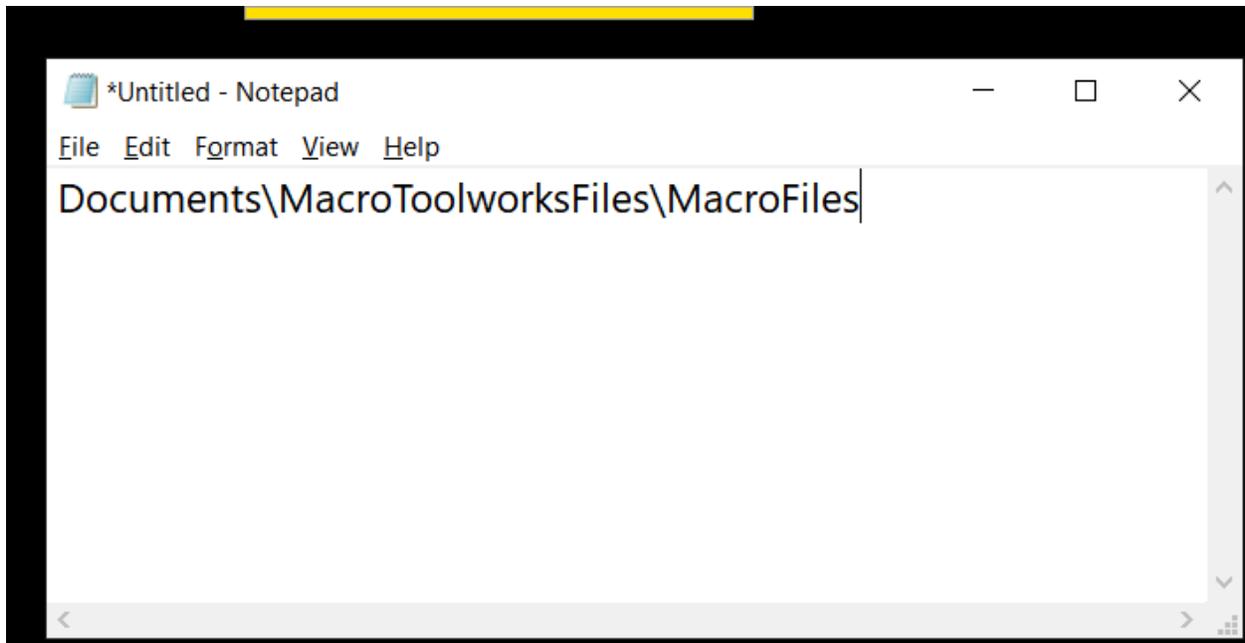

The auto-hidden toolbar is located at the upper-left are of the screen.

When mouse is moved over it the toolbar is expanded.

Clicking on the item causes the text is pasted to the application.

How to run

Just download the file, unzip it and open the "ClipTextHistoryToolbar.4tw" file in the Macro Toolworks (version 9.3.0 or newer) using "File/Open" menu command.
